**Description of Inspection:**

**OK to Release:**    Meter    Solar (NET) Meter    Vacancy    Construction Loop    30 Day

If requesting any of the above releases, a description of inspection section must be completed.

**Because of flood elevation requirements, only The City of Harahan can authorize the pouring of any foundation. I also acknowledge and agree the closing of any walls or ceilings, the re-release of any/all utilities, the issuance of certificates of completion are subject to the approval of the building official of The City of Harahan.**

**This Inspection warranties compliance with the International Residential Code 2015, International Building Code 2015, International Mechanical Code 2015, and National Electrical Code 2014. All above referenced Codes are as locally amended.**

**Any inspection report, once submitted to the City of Harahan, becomes public record, and is subject to the Public Records Doctrine of the State of Louisiana.**
